Brandon Wlosinski ASSOC. AIA

bnim ASSOCIATE | MANAGER OF VIRTUAL DESIGN AND CONSTRUCTION

With a formal architectural education, Brandon Wlosinski serves as Manager of Virtual Design and Construction at BNIM. His knowledge of architecture and deep understanding of technology combine in this role to support BNIM's presence as a cutting-edge national design firm. Brandon keeps his finger on the pulse of what is new and emerging in the arena of design technology, and he provides guidance in creating new deliverables to enhance the design process. He works closely with design teams to define areas in which projects will excel and distinguish themselves beyond the norm, using new technologies like 3D printing, data visualization, BIM, and virtual reality.
