Casey Cassias FAIA LEED AP BD+C

bnim PRINCIPAL

As Director of Practice for BNIM, Casey has furthered thought leadership within BNIM and the industry. A leader in his firm—and local and professional communities—his efforts have influenced the creation of new methodologies and industry tools that deliver solutions to address the challenges of the modern practice. Casey's advancements in collaboration, project delivery and sustainable design elevate standards for design and performance. His leadership has been widely celebrated and has led to many awards, including a Green Building Leadership Award presented at USGBC's GreenBuild.
