Jonathan Ramsey AIA LEED AP

bnim PRINCIPAL

Jonathan Ramsey is a Principal and experienced design leader at BNIM. He is a trusted advisor to clients and collaborators and approaches each of his projects with a goal of high-performing, integrated design. Jonathan has led many notable BNIM projects, including serving as Project Director of a new addition to the Vesterheim Norwegian-American Museum and Folk Art School and Project Manager for the MidAmerican Energy Corporate Office and Conference Center transformation in Des Moines, IA, and the Psychological and Brain Sciences Building at the University of Iowa.

Jonathan is deeply engaged in each of the projects he leads, maintaining a keen understanding of project goals and the key considerations that elevate spaces experientially in order to guide project teams in achieving incredible outcomes.

His work has been recognized with over 50 significant awards and media features from organizations including the American Institute of Architects Iowa and Central States chapters and the Chicago Athenaeum and the European Centre of Architecture Art Design and Urban Studies.
