bnim ARCHITECTURE

Anastasia's experience covers a broad variety of project types, including adaptive reuse projects and small exhibition spaces. She has a deep passion for sustainability, design, and making the built environment a healthy and engaging place to be. Anastasia is a member of the 2017 class of the Centurions Leadership Program and is heavily involved in Hope Builders, a non-profit organization that helps financially challenged elderly, veterans and people with disabilities in the Kansas City metro. Her current experience with the Fine Arts + Design Studio at Johnson County Community College is creating a new arts corridor on the JCCC campus.
