## Brian McKinney AIA LEED AP

**bnim** ASSOCIATE PRINCIPAL

Brian's career spans more than 30 years of professional experience in the field of architecture, during which he has served in a variety of project responsibilities. As a Project Architect, Brian has completed many award-winning projects at BNIM including, the 2011 AIA/ COTE Top Ten Green Buildings Award recipient Kiowa County Schools in Greensburg, Kansas; the Applebee's Restaurant Support Center; and the Fayez S. Sarofim Research Building at the University of Texas Health Science Center at Houston. Brian's experience in a wide range of project types gives him a deep understanding of the design considerations and complexities of high performance facilities.
