Carleigh Pope AIA

bnim DESIGN TEAM MEMBER

Carleigh Pope recently joined BNIM's Kansas City office as a design team member, following her studies at Kansas State University where she completed her Master of Architecture. Carleigh interned in BNIM's Des Moines studio in 2020 where she contributed to several key projects, including the Adaptive Reuse and Redevelopment of Charity Hospital in New Orleans, LA, and the University of Iowa College of Nursing Building Renovation.

Currently, Carleigh is working on the 418 East Grand Mixed-Use Nelson Development, a mixed-use residential and retail building in downtown Des Moines. Outside of work, Carleigh is involved in NOMA KC and their project pipeline efforts to engage Kansas City youth in the field of architecture.
