## Dan Johnson AIA

**bnim** ASSOCIATE | DESIGN

Dan Johnson is an Associate in BNIM's Kansas City office. Since joining BNIM in 2016, Dan has become a key contributor to the culture and work of BNIM and is increasingly recognized for his leadership as a Project Architect. Dan has contributed significantly to a number of successful projects, including the Fine Arts and Design Studios and Career and Technical Education Center at Johnson County Community College, as a key member of the design team. Currently, he is serving as Project Architect for Metropolitan Community College's Blue River Campus in Independence, MO. Dan is known for his remarkable work ethic and deliberately creates a collaborative environment for others at BNIM, helping them to perform at their highest levels.
